Renowned photographer, Gangfeng Wang, will capture your evening memories compliments of Concordia. Photos will be taken at the designated photo point and can be picked up at Concordia the week following the Auction evening.

Dear Concordia Community and Friends,

Welcome to Concordia's 10th Anniversary Celebration and 2009 Annual Auction! This evening's theme is in recognition of all the blessings bestowed on Concordia over the past ten years.

As a Concordia family since 2005 we have seen firsthand the incredible and exhilarating changes in the growth of the student body and facilities. During this time Concordia has maintained a practice of recruiting high quality teachers while being deeply committed to each student's academic growth. Throughout Concordia's growth the school has continued to stand by its mission and purpose statement, "To pursue excellence for all in a spiritual learning community." Our son, Ellery, has truly been blessed by all the opportunities and challenges Concordia has laid out in front of him. It is with confidence that we can say our son is a better person due to Concordia's holistic approach to education and its high expectations. We have been blessed and are thankful to have been a part of the Concordia Community for the past four years.

This evening it is our turn as a community to pass on our many blessings to those less fortunate. Even the smallest gift can have a huge impact on the welfare of others. So in honor of Concordia's 10th Anniversary Celebration, 100% of net profits raised at tonight's auction will benefit Concordia's student-founded charitable organization, the Yunnan Education Project (YEP) <https://www.ciss.com.cn/Activities/YEP>.

In conclusion, we would like to thank parents, students, faculty, staff, guests and sponsors for attending this night of celebration and the hard-working auction committee who made this evening possible. In addition, we would like to thank each of you for your generous support in making this a successful evening for the children in Yunnan.

Blessings,
Dan, Anita and Ellery Haycock
2009 Auction Honorary Chairs

Dear Friends,

Thank you for celebrating Concordia's 10th Anniversary and supporting our school's flagship service program, the Yunnan Education Project (YEP).

The YEP is woven deeply into the foundation of our school and is a witness as to what makes Concordia a purposeful school grounded in faith and action. Please allow me to recognize and thank the students, families, teachers, administrators and friends of our school who have embraced the Yunnan Education Project, offering financial gifts and physical work to help fight poverty in China.

The Yunnan Education Project has been in partnership with the Concordia Welfare Education Foundation (CWEF) since our first school service trip to Vietnam in 2001. Our school is very thankful for the guidance our friends at CWEF have provided and especially appreciates the work of the CWEF Executive Director, Michelle Hoepfner.

In the gospel of Matthew, Jesus ends two parables about wealth and responsibility, by stating: "To those that have received much, much is expected." A call to share the resources with which God has blessed our Concordia Community has resulted in the construction of school buildings, school libraries, improved health care programs - especially for women and children - drinking water systems and more than 1000 scholarships to families in need. Thank you Concordia Community for not only looking after our own children in Shanghai, but also for improving the lives of thousands more in China.

God Bless!

Pat Frerking
YEP Faculty Advisor
High School Assistant Principal
